- The Community Center windows are to be fixed when it can be scheduled. It would be better to wait until the weather was warmer in order to get the film to adhere better to the windows. Reba wants someone else to be there also to make sure the installation is done to our satisfaction.
- The Community Center is being rented a lot more often probably because of the price reduction in the rental fee.
- The Town Council is to review the new Park Board / Tree Care ordinance drafts. It will be up for the first reading at the Town Council meeting this month. This will clarify Park Board responsibilities.
- The Park Board has decided to change the meeting time to 7:00 pm to allow everyone time to make it to the meetings.
- There was discussion on future goals. Subjects brought up were: recreational summer activities, bus stops for school buses, activities for senior citizens, horseshoe pit at community center possibly built by Boy Scout Ben Carter, art prize, totem poles, meeting with Western Schools.
- There being no more business the meeting was adjourned at 7:45 pm.
