Topics

- Fundraising. Two bricks sold in mid-August.
- Merry go round. The Town guys removed the old cement base. Play Pro would like to meet to look at the site. It is possible the new merry go round will be installed in a couple of weeks.
- Disc Golf Course. Tommy Ray is checking on the couplings (brackets) to see how soon they will be in. Rick will mark off where the shelter, playground and volleyball court will go. Tommy is going to do a final layout of the course. We will have to set a date / time for this.
- Iron Wheel Sculpture. We have more than enough wheels to complete the sculpture. The Shepherd boys came and we laid out the sculpture at the park. Backyard Gardner's came and gave us some tips and will be giving us an estimate soon on laying the bricks.
- Abstract Sculpture. Rick will request some sketches from Greg Steel of IU Kokomo.
- Welded Sculpture. Janna will talk to Robyn Nearing on whether she has time to work on this.
- Wall Art. Rick has permission from AutoTechs to put a painting on their block wall facing Liberty. Question on whether we should be on private property. Rick will look for stencils and send out.
- Rethinking Maple. Rick shared a document stating that tree diversity is better in the urban forest and that maple trees should not be the "goto" species.
- Cleaning of Community Center. Discussion on cleanliness and cleaning.
- Emails. Addresses shared.
