

Town of Russiaville, Indiana
Special Meeting for Budget
Russiaville Town Hall – 5:00 pm
July 7, 2026

Council Present – Don Parvin, Pat Reel, Greg Landrum, and Roger Waddell

Don Parvin called the meeting to order.

All appropriations were gone over, cuts were made, and a 3% increase was put in for salary line items. Things are going to change next year and there is uncertainty in the money we will have to work with.

The drain line at the community center was brought up. It has not been put in yet, and after some discussion Pat reel said he would text Jeff at Monroe Const. right now and make sure it is on their radar to be done asap.

Craig Thompson had a written budget for wastewater and the community center and Josh Fulkerson had written budget numbers for the police department.

There was some other discussion about the community center needing to be painted and possibly a new roof in the next few years.

There being no further business, Don Parvin made a motion to adjourn the meeting. Pat Reel seconded, and the meeting came to an end at 6:38 pm.
