

TIF Board

TIF Board Meeting

08/24/2023

Present: Mark Fulk, Rick Homkes, Roger Waddell

Absent: Kevin Johnson, Ned Sutherland

Guest(s): None

Start: 18:00

Topics

Minutes

- Move by Rick, second by Roger to accept the minutes as presented. Passed unanimously.

Town Signage

- Mark reported the permitting is moving slowly. There was a request from Clifford Signs to move the East SR-26 sign 80' east for visibility and location reasons. This was OK with the Board members. A sample of the actual colors will be available soon from Clifford.

TIF District and Development District lines

- Permission granted by Council to incorporate all of the town into both the TIF and ED districts. We will work with Kieser and Associates and Attorney Dan Gibson on this. TIF funds will be used to pay for these changes.

Generators for Community Center

- Mark had arranged for Century Heating and Cooling to give a proposal. Rick was available and let them in the CC building. Kings may be another vendor who could do this job.

Closing

- Next meeting set for 9/28/2023 at 18:00.

Meeting ended at ~18:38.
